New Home Warranty Policy

Introduction

Welcome to **your** checkmate.uk.com **new home** warranty policy. Problems with **new homes** are rare but if **you** should need this insurance it is important that **you** understand what is and what is not covered. The policy should be accompanied by a **building period certificate** or **insurance certificate**, or both as appropriate, and is not valid without them. **You** will need to read the policy wording, the definitions and conditions, the **certificates** and any endorsements printed on them carefully for the full details of cover.

By way of summary, and subject to the conditions and any endorsements printed on the **certificates**, the policy protects **you** if **your developer** goes into **liquidation** or is made bankrupt against the loss of contract exchange deposit and the repair of certain types of **physical damage** caused by a failure by the **developer** to meet the **requirements** in respect of the **new home** in the first two years. If the **developer** is not in **liquidation** or has not been made bankrupt, but nonetheless unreasonably refuses to meet its repair obligations within a reasonable period, **QuestGates** will help to resolve a dispute between **you** and the **developer** by giving advice about the extent of cover available under the policy and the **developer's** responsibility to rectify damage caused by defects. If **QuestGates** advise that repairs are covered by the policy but the **developer** unreasonably refuses to carry out the work within a reasonable period, **we** will pay for the work to be completed. After the first two years and until ten years after the **effective date** on the **insurance certificate**, **we** will cover the repair of **major physical damage** caused by a failure by the **developer** to meet the **requirements** in respect of the **new home**.

This policy is an agreement, the insurance contract, between **you**, the **buyer**, and **us**, entered into by the **developer** on **your** behalf. It is based on the details provided to **us** by the **developer** and by **you** if **you** are the **first buyer**. If any of those details change **you** must let **QuestGates** know as soon as possible, otherwise it may invalidate the insurance.

The conditions that apply to all parts of this policy are listed on page 17 & 18. Please ensure **you** read the conditions, as well as "the Insurance" section of this policy document.

Certain words have specific meanings when they appear in this policy. These meanings are shown on page 7 under "Definitions" and appear throughout the policy in bold type.

You may only claim under this policy whilst **you** are the current **buyer**. **You** are not entitled to make or continue a claim under this policy once **you** have sold or otherwise disposed of **your** interest in the **new home**.

This policy is a legal document and should be kept in a safe place. The applicable law is shown in condition 9 (page 18).

This policy is underwritten by HDI Global Specialty SE which is registered in Germany, acting through its UK branch which is situated at 10 Fenchurch Street, London, EC3M 3BE.

You Rights To Cancel This Policy

You have the right to cancel this policy, however, **we** or **Checkmate** are unable to return to **you** any premium, fees, taxes or other charges paid to **us** or **Checkmate**. Before **you** decide to cancel the insurance it is important to check with **your** mortgage lender that **you** will not breach any conditions of **your** loan. Even if **you** do not require a mortgage **you** may also want to consider whether cancellation could affect the ability of any subsequent **buyer** to obtain a mortgage. If the **new home** is a flat or apartment or shares any **common parts** with another **new home** cancellation would also result in **you** not having cover for **your** share of the cost of any claim affecting the **common parts**.

Please see the Contact Information section of this document for details of where to request this policy be cancelled.
